Many thanks, Judith. I will forward to the folks from Quassaick Creek Watershed Alliance, who may already have them, but to be sure.

Thanks also for appointing Samara Swanston to LGAC. She is a real asset! And repeated thanks for appointing and reappointing me. It is a true honor to serve with such an amazing group of people.

Warm regards,

Manna

Please help us to Float the Boat - i.e. restore the Sloop so we can continue to do great work here on the Hudson. We still need to raise \$100,000 to pay for major renovations required by the Coast Guard that have been completed this year (yay!) -- and may incur more expenses to finish work above the waterline next year. Click on the life-ring below for details.

Anything you can afford will be greatly appreciated in this time of need.

Many thanks,

Manna
